Claudia Myers has unlawfully blocked me from the promised Team Meeting in my residence. Listen to the promise, made on April 11, 2025, here:

Apr 11 2025 Promise of IDCT Mtg:

See Claudia's belligerent, tongue out, refusal, in the Thread forwarded below.

Claudia never sent any reply to the matter raised. Ever.

She merely taunted with endless demeaning, dehumanizing, contemptuous emails, driving home the point that she was depriving me of this promised benefit.

A. Artemis,
Complainant

Hello Aleithia,

My name is Claudia, and I am **a** [Notice: Not my assigned case manager. Merely, "**a**."] Medicare Case Manager with Molina Healthcare Inc. I received a copy of the health assessment you completed [Sounds suspiciously like she intercepted, to snatch it: a HIPPA violation.] and noticed that you are requesting assistance with an Interdisciplinary Care Team (ICT) meeting.

I would like to speak with you regarding the necessary information to be presented to our Medical Director.

[Did you catch that? Claudia was inserting herself in between me, and direct speech and an in person meeting with, "*our Medical Director*." Well, "*our Medical Director*" was precisely one of the members of that Team which was supposed to come out to my residence to meet with me in person.

Doing so, however, would serve as an overwhelming refutation to Claudia's lie that I had no residence. She and others, have kept this lie going, for over a decade. So Claudia prevented that Team Meeting from ever occurring. She deprived me of this then-time Molina covered benefit.

This was not Claudia's only lie, to deprive Complainant of covered benefits.]

Please feel free to call me at ... [number] or reply to this email at your earliest convenience.

Thank you, and I look forward to hearing from you.
